

REMARKS

This Amendment is in response to the Advisory Action dated July 19, 2011. Applicant respectfully requests reconsideration and allowance of all pending claims in view of the above-amendments and the following remarks.

A. Claim amendments

In the Advisory Action, the Examiner suggested certain elements were not given patentable weight since they appeared in the preamble of the claims. With this amendment, these elements are moved from the preamble into the body of the claims in order for them to be given sufficient patentable weight.

Applicant respectfully requests reconsideration of the applicable arguments presented in the response filed June 29, 2011 in view of these amendments.

B. New Claim 29

In addition, Applicant presents new claim 29, which corresponds to claim 20 re-written into independent for including all the limitations of independent claim 15. Since claim 20 was indicated as being allowable, new claim 29 should be in condition for allowance.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
